INTERVIEW SUMMARY

The undersigned representative thanks the Examiner and Supervisory Examiner for the courtesy of the telephone interview held on March 12, 2007. Examiner Giovanna Colan, Supervisory Examiner Trong, and Applicant's representatives William R. Borchers and Elizabeth Philip Dahm participated in the interview.

The substance of the interview included a discussion of claims 1, 10, 18, and 23 and the rejections of record under 35 U.S.C. § 102. The interview also included a discussion of Win et al. (U.S. Patent No. 6,182,142).

Applicant's representatives began by providing a general summary of the invention and the Win reference. Applicant's representatives and the Examiners then discussed Claim 1 in detail with respect to the Win reference. The Examiners indicated they understood Applicant's representatives distinctions, but suggested the linkage between claim 1's limitations was weak. Applicant's representatives disagreed. Thus, no agreement was reached.

Respectfully submitted,

Date: March 12, 2007
